

Grissom High School Yearbooks on CD!

My Old Yearbook™ CD is YOUR Yearbook on Compact Disc. It is an easy to use CD that will run on Mac and Windows® based computers. You can flip through the CD page by page just as one would with a traditional yearbook. Due to the image quality and the unique assembly of the software, you can pan and zoom through your yearbook like never before. It beautifully captures the experience of paging through a yearbook and rekindles the thoughts and feelings of those precious days of our youth.
